BADGER R.E.D. CENTER

What is Badger R.E.D.?

The MABAS Wisconsin Badger Regional Emergency Dispatch (R.E.D.) Center provides notification services for MABAS Wisconsin Coordinators, Executive Staff and the WEM Duty Officer. Notifications as described by the Wisconsin Fire Service Emergency Response plan begin with a call to the WEM line and pushing 3 which will connect the caller to Badger R.E.D.

Currently R.E.D. Center duties are managed by the Rock County Dispatch Center. R.E.D. Center provides a high level of service to MABAS Wisconsin by providing immediate mutual aid assistance to stricken divisions in need of strike team and task force assets.
